## FOUNDERS AWARD

The ACI Pittsburgh Area Chapter established the Founders Award Fund in 1988 for undergraduate students, including seniors, who have an interest in the areas of cement technology, or concrete technology, design or construction. The student should be studying Civil or Materials Engineering/Technology, or Architecture/Architectural Engineering.

**The awards are offered in the amount of \$3,000, \$2,000 and \$2,000.**

At this time, we are accepting applications for the 2021/2022 academic year. The student is required to submit: an ACI application, a letter of transmittal, an official copy of their transcript of grades; and two letters of recommendation. **Applications must be received by January 31, 2022.**

*If you would like to obtain an application form or have any questions,  
go to [www.aci\\_pgh.org](http://www.aci_pgh.org), then click on click on the 'Awards' tab.*

## 2021 Emerging Leaders Alliance Conference

### *Congratulations Joe!*

Our very own Joe DiBucci was chosen to represent the American Concrete Institute at this year's Emerging Leaders Alliance conference.

Only ten young professionals were chosen by ACI to participate in this program during the Emerging Leaders Alliance (ELA) conference September 26-29, 2021, at The Omni Penn Hotel in Pittsburgh, PA, USA.

The Emerging Leaders Alliance (ELA) is a partnership among leading engineering and science-based organizations that provides high quality leadership training. For the past 11 years, the ELA has successfully hosted an interdisciplinary leadership conference for young professionals, providing advanced training in topics such as management, personal branding, social styles, problem solving, presentation skills, and global diversity.
