

**THE PITTSBURGH AREA CHAPTER ACI**  
**ANTITRUST COMPLIANCE POLICY**

The Pittsburgh Area Chapter ACI, and its members, and Board of Directors shall strictly conform with all dictates of Federal and State antitrust laws. The Pittsburgh Area Chapter ACI and its members and directors, will not tolerate any departure from this policy by any of the directors or members, nor will they permit any person or entity acting on their behalf to undertake any action which would contravene such policy.

Counsel familiar with Federal and State antitrust laws that attend chapter meetings will assure compliance with such policy. Such counsel and the members of the Pittsburgh Area Chapter ACI shall voice any and all doubts which they may have to the legal implications or propriety of any activity on any matter raised at any such meeting.

No member or director of the Pittsburgh Area Chapter ACI may enter into any agreement, understanding, plan or scheme of any kind, with any competitor, with respect to prices, terms or conditions of sale, production, distribution, territories, or customers. Further, no member or director of the Pittsburgh Area Chapter ACI may exchange or discuss prices or terms or conditions of sale with any of their competitors. The Pittsburgh Area Chapter ACI and its members and directors shall refrain from all of the following activities:

- A. Price fixing;
- B. Agreements to allocate markets by customer, territory or product;
- C. Boycotting of customers or competitors; or
- D. Agreements to limit available supply or cut back production.

All persons serving on the Board of Directors for the Pittsburgh Area Chapter ACI must review and agree to this policy.
