

CONCRETE FLATWORK TECHNICIAN & FLATWORK FINISHER

Date: February 6, 2026 * Time: 8:00 a.m.

Location: Golden Triangle Construction, Imperial, PA

Course and Examination:

This one-day review seminar utilizes video demonstrations, slides, and lectures by local industry professionals covering concrete properties and finishing procedures, which are essential for producing high-quality durable concrete pavements.

A one-hour written examination will be administered at the conclusion of the instruction seminar. The course of instruction, as well as the exam, will be based upon information provided in the CRAFTSMAN WORKBOOK, which will be provided to all applicants

To qualify for certification as a Concrete Flatwork Finisher, applicants must meet a minimum 3-year (4,500 hours) experience requirement, provide verification of finishing skills, **and** pass the written examination (minimum 70% correct).

Applicants with insufficient work experience passing the written examination (minimum 80% correct), will be granted certification as a Concrete Flatwork Technician. Certified Flatwork Technicians may later submit verification of the 3-year experience requirement, and upon approval by ACI, they will be certified as a Flatwork Finisher.

The certification for both Flatwork Finisher and Flatwork Technician is valid for five (5) years after the exam date.

Cost of the Course/Exam: \$425.00 per applicant

(This includes classroom instruction, the ACI CP10 "Craftsman Workbook for ACI Certification of Concrete Flatwork Technician/Finisher, the written examination, lunch, coffee and refreshments.)

Liability Waiver – The registrant of this certification voluntarily assumes the risk of injury to themselves which may result from training, testing, weather conditions and releases and discharges the facility and the provider of the training and testing from all claims or liability by registrant resulting therefrom: **Please initial**
